

MIKAELA YASAY

WEB AND GRAPHIC DESIGNER

ABOUT ME

I am a self-driven, graphic and web design student motivated to learn, grow, and succeed in the design industry. I am constantly seeking opportunities to gain more knowledge, and experience through collaborating with others to exceed client goals and produce remarkable outcomes in an effective and timely manner.

EXPERIENCE

- UNITED STATES ARMY RESERVES** Honolulu, HI
25U - Signal Support Systems Specialist June 2018 - Present
Integrate signal systems and networks; performe signal support functions and unit level maintenance on authorized signal equipment. Install, operate, and maintain radio and data distribution systems. Coordinate with a team to establish the demands given by higher commanders while ensuring time management.
- SAE DESIGN GROUP** Honolulu, HI
Graphic Design Intern October 2022 - December 2022
Simultaneously work on multiple projects while efficiently collaborating with the design team to discuss the creative process—assist with the draft, design, and development phases. Communicate with clients during the draft and design phase—address any input and feedback for necessary revisions.
- SAM'S CLUB** Honolulu, HI
Associate- Personal Shopper July 2021 - May 2022
Provided member services in store and over the phone by identifying a members needs—resolving issues and concerns on purchasing decisions, location of merchandise around the store, online orders and club pickup, along with promoting any company products and services.
